- 4 Follow Indiana 930 (west) approximately 1/2 mile after the I-469 interchange to Minnich Road (first traffic light). Turn right (north) on Minnich Road.
- 5 Minnich Road ends at Lincoln Highway (Indiana 14). Turn right (east).
- 6 Challenge Tool & Manufacturing will be on the left (north) side of Lincoln Highway, just beyond the I-469 overpass.
- 7 Enter the second driveway (or first driveway after CTM sign) and proceed to the glass enclosed front entrance.

Note: Older maps will show US 30 going through Fort Wayne, instead of around Fort Wayne with I-469. Older maps may also refer to Lincoln Highway as Indiana 14 East.
